

Winter Wonderland fabric palette

Below is the fabric palette we used for this year's Winter Wonderland festive projects. With a base of naturals – linens, creams, antique golds – we added jewel colours for a warm, luxurious feel.

A note on the fabrics we used:

We used Grunge by Basic Grey for Moda and Melange by Stoff for the décor items and a bright selection of brocades and cottons for our other projects.

Both Grunge and Melange come in a wide range of colours, both bright and toned, but has an over print which gives it a rustic, textured appearance. They work perfectly for this theme.

If our palette doesn't suit your décor, you can replace with traditional reds, greens and golds. Or why not try wintery blues and silver? Or go crazy with clashing, modern patterns?

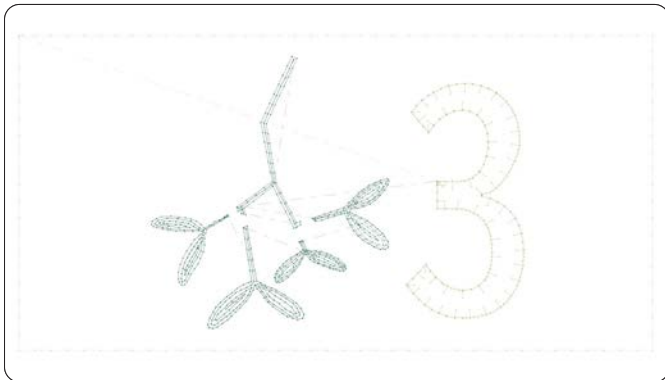

A big thanks to the design team

The Winter Wonderland was curated, designed and created by the team at Handzon, using illustrations by Alex Rennie from Design by Ten.

Designer and project co-ordinator: Riana Auret

Testers and sample makers: Jean Anderson, Adriana Auret-DuBois, Debbie Lucas, Sue Williams, Aidan Woodhouse, Christiaan DuBois, Isabella DuBois from the Handzon team, and Heather Duff from Kreative Kiwi.
