

# XP2 Class 2: Embroidery & My Design Center

## XP2 Class 2: Embroidery & My Design Center

### Overview:

Experience the New Luminaire 2 Innov-is XP2 sewing and embroidery machine with the informative overview highlighting top features. Sew along to learn about the powerful onboard design editing features in the Brother exclusive My Design Center on the XP2 and hone your skills with tips & tricks for applying amazing fills. Use the New Hoopnetic Magnetic Sash Frame, an optional accessory, for easy project hooping and embroider new smaller buttonholes with perfect alignment to add that special attention to detail. You can continue to embellish the panel for a one of a kind sample of the amazing XP2 capabilities.
